# Female suicide bomber kills 7 in Gombe

From Adamu Saleh, Gombe

A female suicide bomber killed seven people and injured over 10 others at the entrance of the Bauchi Motor Park in Gombe yesterday.

*Daily Trust* gathered that the woman went to the park with her

luggage pretending to be a passenger when the bomb exploded.

Witness said the explosion took place at about 9:15pm. The park had already been closed but some vehicles stayed behind to pick passengers by the road side.

"I cannot say how many people

died because human flesh was scattered around. But I saw about seven dead bodies and many people were taken to hospital," a witness said.

He said those affected were many women and girls who hawking around the motor park.
