

Driver dies, 3 others injured as bus somersaults at Dei-Dei

By Emma Elekwa

One person lost his life, while three others were seriously injured on Saturday in a ghastly motor accident, which occurred along Zuba-Kubwa expressway.

A witness said the accident occurred between the army checkpoint and Dei-dei junction around 2p.m. and it involves a Sharon mini bus and a commercial motorcyclist carrying passenger.

He said the driver of the bus, who was carrying three passengers was heading towards Kubwa from Zuba when he suddenly lost control while trying to avoid a cyclist, who dashed

into the express-way without observing the traffic.

"The driver immediately lost control while trying to avoid hitting the cyclist and his passenger and swerved off the road," he said.

City News learnt that the corpse and the injured victims were later moved to a nearby hospital by the police who arrived the scene of the accident minutes later.

When contacted, the Zuba Unit Commander of the Federal Road Safety Corps, Chorrie Mutaa, confirmed the accident, saying the corpses had been deposited in the mortuary, while the injured ones are receiving treatment in different hospitals.
