Category: News Published on Wednesday, 24 June 2015 05:00 Written by Misbahu Bashir, Kaduna

Two youths were reportedly killed after rival street gangs clashed in Unguwar Rimi area of Kaduna State. Several others were injured in the violence while vehicles were damaged.

A source said the reason for the fight was not known, "but two boys were killed and many others were injured."

The state governor, Mallam Nasir El-Rufa'i said, "The incident is condemnable and a threat to peace. We will not condone such act and we will explore all legal means at our disposal to punish all those involved without fear or favour".

He added: "I have directed the police to work with the Ministry of Justice and bring to book all the culprits involved in this lawlessness. Anyone found will not be spared, no matter how highly placed and powerful they are in the state or beyond. It is a demonstration of our resolution against harassment and intimidation of the innocent."
