One person lost his life, while nine others were seriously injured yesterday in a ghastly motor accident along the Zuba-Abaji expressway in the FCT.

City News learnt that the crash, which occurred at Zuba around 4.30a.m., involved an articulated truck with registration number, KPN 325 XA carrying 15 passengers and large number of cows and sheep. The driver of the truck, Aliyu Sada, who spoke to our reporter, said they were conveying the animals to Okene from Katsina when the incident happened.

"I was trying to avoid hitting some vehicles that blocked the road when I suddenly lost control of the steering and swerved off the road," he said.

He said the truck somersaulted after plunging inside the gutter, leaving 10 passengers with varying degrees of injuries.

According to the driver, they also lost about 10 cows to the crash, adding that no fewer than a hundred sheep got missing and could not be accounted for.

Confirming the crash, the Zuba Unit Commander of the Federal Road Safety Corps (FRSC), Muta'a Chorie, said the corpse of the deceased
