Lebanese murdered in Kano

From Yusha'u A. Ibrahim, Kano

A 67-year-old Lebanese was murdered in Kano yesterday by people suspected to be his close associates, police said.

The deceased was slaughtered at his residence along Unity Road.

This came two days after the discovery of the body of one Kabiru Umar Gumel who was also murdered in his apartment in Yakasai quarters.

The Lebanese, who was slaughtered inside his room, was alleged to have been killed by his associates in the same house.

Police commissioner, Alhaji Muhammad Musa Katsina, who confirmed the incident, said four persons arrested in connection with the incident were cooperating with security agencies investigating the case.
