The People of Cham Community in Balanga Local Government Area of Gombe State yesterday blocked their section of the Gombe - Adamawa federal highway in protest over an auto accident that killed two people and injured two others.

Police Public Relations Officer DSP Fwaje Attajiri confirmed the incident while answering questions from reporters in Gombe, saying, "An accident killed two people on the spot while two others were seriously injured. There was protest, but normalcy was restored in the area and people are now plying the road."

He said it was unfortunate that some people took the law into their own hands, as nobody wished for the accident to happen.
