Daily Trust on Sunday gathered that the rampaging cult groups also killed 3 security men of the Water Smith oil company operating in the area.

However, speaking on telephone with Daily Trust on Sunday yesterday, the Transition Committee chairman of the local government area, Ebenezer Amadi, said that not less than 10 persons lost their lives in the incident.

He expressed regret over the dastardly act, saying security operatives have been deployed to the areas to avert further occurrence.

When contacted, the Police Public Relation Officer of the Imo State Police Command, DSP Andrew Enwerem, confirmed the incident.
