An eyewitness told our reporter that the accident occurred when the rear tyres of the vehicle burst and the driver who was on high speed lost control of the vehicle.

The witness who gave his name as Musa said the driver and five passengers, including a child, died on the spot while five others sustained serious injuries.

Confirming the incident to newsmen yesterday in Jalingo, the Taraba State Sector Commander of the FRSC, Mr Godwin Omiko said the incident occurred due to over-speeding by the driver. "As I speak with

you, their corpses are yet to be claimed by their family members. The driver of the vehicle from all indications picked the passengers from the road, not from the main park,” he said.
