Police in Delta State have arrested a teenager, one Chukwudi Ijoma, over alleged rape and murder of a housewife, Blessing Ogammer. The 27-year-old housewife had earlier been reported missing at the Aboh police station in Ndokwa East Local Government Area of Delta State.

According to the state Commissioner of Police, Zanna Ibrahim, Blessing's corpse was found in the bush at the end of Ogbegonogo street in Aboh.

The deceased was reported to have gone to Aboh town to sell plantain before she was declared missing.
