State

It was gathered that one of the victims identified as Godspower was killed in front of his residence along Second East Circular road.

A witness told journalists that they heard Godspower begging for his life before he was shot.

The Police Commissioner, Haliru Gwandu, who confirmed the killing, said 51 suspected cultists had been arrested since the cult-related killings began.

Gwandu said the Police had identified flash points within the city with a view to arresting suspected cultists.

Meanwhile, one Joseph Agbomma has called on the police to save his only son, Evans, from the hands of suspected cultists.

He said his son was attacked by some cultists at Ugbogui village where both of them worked as farmers but his son managed to escape with serious injuries.
