A 23-year-old man, Abdulhafiz Muhammad Rabi'u was hacked to death by two unknown men along Jama'a road in Kaduna town on Sunday, Daily Trust has gathered.

The incident, our correspondent gathered, occurred around 11.30pm when the young man and his uncle, Lawal Adamu came out from their home to run an errand.

Speaking with our correspondent, Malam Badamasi Adamu, an uncle to the deceased said, "Late Abdulhafiz, a battery seller and Lawal were on a motorcycle when two young boys holding cutlasses stopped them, confused, they took to their heels, leaving the motorcycle. Unfortunately, the young men used the motorcycle and caught up with Abdulhafiz on Jama'a road where they used the cutlass to cut him all over his body leading to his death."

When contacted, the Police Public Relations Officer, ASP Aliyu Usman said he would get back but had not done so up to press time.
