Tree falls on moving tricycle, kills 1

From Itodo Daniel Sule, Lokoja

A passenger was killed and four others injured in Lokoja the Kogi State capital Saturday evening when a tree fell on a moving tricycle following a heavy rainstorm that heralded the first rain in the confluence town.

Daily Trust learnt that the storm uprooted the tree around the Hydro-junction of Adankolo area which fell

on the moving tricycle, killing one of the occupants and injuring the other four.

A witness said the incident happened about 6pm and that those injured were rushed to the state specialist hospital.

The Administrator of Lokoja Local Government, Mr Shiru Lawal who expressed sadness over the incident, said there was need to cut down old trees that posed danger to the people.
