The deceased popularly called Zion, was said to have met his sudden death while relaxing in a beer parlour at Umuota village.

Daily Trust gathered that three men who drove in a Mercedes Benz Car 190, trailed the deceased to the beer parlour, where they shot and axed him to death.

“On alighting from the car, one of them stripped himself, removed his shoes, made straight to him at the beer parlour and started shooting him at close range before the two others who were with axes joined and killed him instantly and zoomed off.” a source said.

When contacted, the Obosi Divisional Police Officer, DPO, Mr. Patrick Ozoemena, said the incident might be connected to incessant cult clashes in the area.

He said, “The corpse has been deposited at St. Edward mortuary Obosi, and one suspect has been arrested at Chico area of Obosi.”

Daily Trust learnt that the deceased narrowly escaped death last year when he was shot adjacent to the Obosi town hall.
