Three people are feared dead in a bomb attack on Magadali Local Government Area of Adamawa yesterday.

A source told the News Agency of Nigeria (NAN) that the bomb was planted by the roadside in the town.

Mr Othman Abubakar, the Adamawa Police Command spokesman confirmed the development but said only one person was killed.

He said that the command was still gathering information for full details.

When contacted, the Executive Secretary, Adamawa State Emergency Management Agency (ADSEMA), Mr Haruna Furo, said, "I received a call from Madagali LGA Council chairman about the incident but due to poor network the conversation cut off. I tried several times to reach him but it failed."

He said that the agency had yet to get clear details of the attack. (NAN)
