Five people have been killed in fresh attacks on three local government areas of Benue State.

Two people in each of Logo and Guma LGAs were killed while the one other was hacked to death in Okpokwu LGA yesterday.

Governor Samuel Ortom disclosed in Makurdi when he received delegations of some South/Middle Belt forum that four people were killed in Guma and Logo after gunmen launched another attacks on the rural communities.

“Two women had been reportedly killed in Guma and two persons in Logo,” Ortom said.

Police Public Relations Officer (PPRO) for Benue State Command, ASP. Moses Joel Yamu, said the bodies of two women were recovered at the roadside in Guma while one person was killed in Okpokwu.

He said at press time that he was yet to get details of the attack on Logo.
