Our correspondent yesterday gathered that many tents in the camp currently housing hundreds of IDPs from Abadam Local Government Area (LGA) of Borno State were razed by the inferno.

While visiting the refugee camp situated in Nganggam, a border town between Nigeria and Niger, the Chairman of Abadam LGA, Baba Gana Bayamari, sympathised with the victims and the family of the girl who lost her life during the fire outbreak, presenting N50,000 to the family. He equally paid for fixing the affected tents in the camp and donated relief materials.
