in Abuja.

A witness, Mr Emmanuel Ade, told NAN that there was an initial minor accident involving a Toyota Hillux and a taxi cab at the scene before the fatal crash.

According to him, the major accident happened when the police were trying to control the traffic on the expressway.

Another witness, Mr Musa James, also said that the major accident occurred when the tipper appeared to have lost control while approaching the scene. "The driver of the tipper was trying to manoeuvre his way when he noticed he could not control the vehicle. The police were on the road stopping the tipper," James said.

Mr Jafaru Wakili, another witness, said that when the FRSC personnel arrived at the scene, an angry mob descended on them and chased them away.

The FRSC spokesman, Mr Bisi Kazeem, confirmed the incident, saying a tow truck deployed to the scene was attacked by the mob.

"FRSC Corps Marshal frowns at the occurrence which also involves civil defence and Police.

"He has ordered that perpetrators of the act should be fished out and dealt with appropriately." (NAN)
