Boko Haram insurgents also stormed some hamlets close to the food reserve silos around Molai, along the Maiduguri-Damboia road, killing about 28 persons.

Details were sketchy at the time this report was filed, but a civilian JTF source, who participated in evacuated the corpses from the scene of the attack, said the insurgents tied their victims to stakes like animals and slaughtered them.

He told Daily Trust on Sunday that many people sustained injuries in an ensuing stampede as the residents fled in all directions.

The source said the corpses and the injured were taken to the University of Maiduguri Teaching Hospital.
