# Insurgents kill many soldiers in Borno

From Olatunji Omirin, Maiduguri

Many soldiers were reportedly killed Wednesday when suspected ISWAP/Boko

Haram fighters dislodged the troops in northern part of Borno state.

The incident occurred at Kareto village in Mobbar Local Government Area of the

A source said yesterday that "The attack was not repelled and troops at the locations were dislodged. Dozens were killed, but details are scanty

on casualties. "The attacks are not going to cease as Boko Haram terrorists are desperate. There is urgent need to inform all units in the axis covering

Damasak, Mallam Fato Magumeri, Gubio to be on high alert as the terrorists are emboldened to launch more attacks during the rainy season."
