Several troops and insurgents reportedly died in a five-hour gunfire at Gajiram in Nganzai Local Government Area of Borno State on Monday when the insurgents attacked the military base in the community.

A source told *Daily Trust* yesterday that “The insurgents came from the axis of Badu, about 45km on the semiarid desert to Gajiram when they proceeded from Badu to Gajiram by 4pm in 9 fully-loaded pickup vans, the residents immediately alerted the military base at Gajiram.”
