Two farmers were at the weekend killed and beheaded by suspected armed militia in a farm in Wukari Local Government Area of Taraba state.

It was gathered that the suspected militia crossed from Benue State and killed the two farmers who were working on their farm and beheaded them.

The chairman of Wukari Local Government Area, Mr. Adigrace Daniel, who spoke with our correspondent, confirmed the incident and said the area was enjoying peace before the killing of the two farmers.

He gave the names of the victims as Simon Bala and Timothy Awe, adding that the killing was a strong signal that all was not well in the area.
