By Mohammed Ibrahim Yaba, Kaduna | Published Date Mar 27, 2020 2:59 AM

Fourteen people have been killed in an attack on Itsi community in Iburu village of Kufana District in Kajuru Local Government Area of Kaduna State.

The attack occurred a few hours after suspected gunmen attacked a different community called Bakira located inside Maro Village on Wednesday around midnight.

A source who prefers anonymity told our reporter that the attack on Itsi community looked like a reprisal because angry youths who were said to have pursued the Bakira community attackers' vented their anger with an attack on Itsi.

"There is a reprisal attack and 14 people were killed at Itsi in Iburu, all in Kufana District. Some youths who went after the suspected gunmen that killed three at Bakira attacked Itsi in the morning," he simply said.
