Terrorists killed as troops foil attack on Dapchi

By Maureen Onochie | May 20, 2020 6:18 AM

The Air Task Force of Operation Lafiya Dole killed an unconfirmed number of Boko Haram terrorists and destroyed two of their gun trucks on the outskirts of Dapchi in Yobe State on Monday.

According to a statement by Coordinator, Defence Media Operations, Major General John Enenche, the air operation was conducted following reports that Boko Haram/ISWAP terrorists, in about five vehicles, had launched an attack on the Town.

He said a helicopter gunship was scrambled to engage the terrorists and scored direct hits on their vehicles, destroying two of them and killing the occupants.
