

Bandits kill 5, rustle animals in Katsina villages

From Tijjani Ibrahim, Katsina

Gunmen have attacked Gidan Maidabino, Danmusa LGA of Katsina State where at least five persons were reportedly killed and animals stolen. who doesn't want his name mentioned said it was the first time bandits were attacking the village. and started shooting guns and five of our people were killed. Before now, our village was safe such that even our neighbouring communities used to bring their animals for safe keeping here," he said. He said the five people killed were three aged men and two young men who were all buried yesterday.
