Suspected cultists
yesterday killed one
person and robbed
some traders at
Wurukum market in
Makurdi metropolis of
Benue State.

Our correspondent

gathered that the incident, which caused pandemonium in the market, happened about 2:00 pm.

It was learnt that the cultists trailed their victim to the market and shot him dead before robbing traders of their money.

Contacted, the Police Public Relations Officer (PPRO), DSP Catherine Anene confirmed the incident.

Anene said the cultists invaded the market to actually assassinate their target, whom they killed in the process.
