

24-year-old raped to death in Delta

From Eugene Agha, Lagos

A 24-year-old lady, Joy Ifechukwide Ezeamaka, has been raped to death by suspected armed robbers in Ubulu-Uku town in Aniocha-South Local Government Area of Delta State.

The suspects had allegedly pounced on her minutes after she came back from the farm where

she had gone to fetch firewood.

It was learnt that the assailants who gagged her took turn to rape her while she struggled with them.

The mother of the deceased, Mrs Florence Ezeamaka, told our correspondent on phone that: "My daughter may have been killed by those who have been trailing

her for evil. My daughter was a good girl who had been of great assistance to the family. I am a poor widow who is struggling to survive with my children."

The Commissioner of Police, Delta State, Mohammed Ali, has vowed to fish out the perpetrators of the "dastardly act" and bring them to justice.
