

# Man beheads 65-year-old woman

Eyo Charles, Calabar

A 24-year-old man, Christian Edem Eyo, alias Etebong, has beheaded his next door aunt at No 7 Inyang Street in Calabar, Cross River State.

Our correspondent gathered that the incident happened on Wednesday morning, around 5am, when the deceased left her apartment to go and ease herself and have a bath outside.

A neighbour, Grace Edem, revealed that it was a worshipper in the adjoining church that noticed how Christian was burying the headless body of the victim.

She said Christian took the head of the deceased into his apartment.

The scene has been besieged by neighbours and thousands of passersby who decried his persistent mystical and ritual activities.

Speaking with journalists, Christian confessed that he actually killed the woman because she tried to seduce him.

When contacted, the police spokesperson, Irene Ugbo, said she was yet to be briefed on the matter.
