

Four persons lost their lives in the second accident, which occurred at Awawa village, along the highway.

Our correspondent gathered that the accident happened around 4:48 pm when a petrol tanker lost control and crashed into a ditch.

It was learnt that the driver, who was heading towards the Lokoja axis, lost control and plunged into a big ditch while trying to avoid hitting a vehicle.

When contacted, the spokesman of the FCT police command, ASP Daniel Ndirya, confirmed the accident, saying some injured victims have been taken to a hospital in Kwali for treatment.

He said the command was yet to ascertain if there was death in the accident.
