

Bandits kill 4, injure many in fresh Katsina attacks

From Tijjani Ibrahim, Katsina

At least four people were killed, while some people sustained injuries in an attack on Dugara, Daurawa and Gidan Gadi villages, all in Matazu Local Government Area of Katsina State.

The incident occurred at about 10pm on Friday, according to residents.

Usman Ibrahim, a resident of Yarkirya village, said the bandits invaded the villages with and destroyed houses.

When contacted, Police Public Relations Officer (PPRO) in Katsina, SP Gambo Isah, said they were not aware of the attack.

He said this could be as a result of the lack of telecommunication network in the area where the attack happened.

Isah assured to brief the public on the truth or otherwise of the attacks as soon as he had verified claims.
