Hit-and-run driver kills motorcyclist

A tipper driver hit and killed a motorcyclist at Umunya on Nteje-Awka Expressway on Sunday and fled the scene.

The State Commander of the FRSC, Adeoye Irelewuyi, confirmed the incident, saying it occurred at about 3:57pm and attributed it to one-way driving or route violation.

The tipper driver drove against traffic, rammed into the motorcycle and took to his heels, the report said. (NAN)
