**Suspected bandits have attacked Kilankwa II and Koda communities in Kwali Area Council of the FCT, killing one person and abducting seven others.**

A resident of Kilankwa II, Solomon Agye, said the incident happened last Friday around 11 pm when the bandits invaded the two villages and whisked away seven people.

He said the bandits attacked Koda, killed one person and abducted four villagers before moving to Kilankwa II and abducting three more persons.

Agye further said, "From information received, the bandits were on the run as vigilantes from Kwali were after them after a gun battle in which two vigilantes were killed."

The spokesperson of the FCT police command, DSP Adeb Josephine, was yet to reply to an SMS about the incident.
