"In the early hours of today, at about 0800hourz, our policemen came under ambush by Boko Haram terrorists who parked their vehicles and sneaked through the parapets around Goni Matari village, which was their usual crossing points.

"They also burnt two vehicles of the policemen and then ran away on sighting a reinforcement team headed by the commander of the 29 Task Force Battalion as well as the police CRACK team and Rapid Response Squad.

"The bodies of the two slain policemen were recovered by the team of personnel deployed from the Borno State Police Command," the security source said.
