Suspected bandits have killed six people in separate attacks on communities in Kaduna and Bauchi states.

Two farmers were killed on their farmland in the Iyatawa area of Igabi Local Government Area, Zaria, Kaduna State, by some gunmen suspected to be bandits.

A family source said the victims, who were residents of Kofar Jatau in Zaria city, had gone to their farm to plant some crops when the bandits struck, killed two of them and kidnapped three others.

Daily Trust Saturday learnt that those killed were Alhaji Mustapha Lawal and Bello Lawal.

It was also gathered that Alhaji Lawal Kofar Jatau, their father, had narrowly escaped kidnap last rainy season on the same farmland but sustained severe injuries.
