A motor accident has claimed
two lives and injured 28 others
on Monday on the Kaduna-
Abuja highway.

The accident happened around 1pm and involved a Katsina State Transport Authority (KSTA) bus heading to Kaduna and a truck.

Confirming the incident, Kaduna's acting Sector Commander of the Federal Road Safety Commission (FRSC), Garba Lawal, said, "Two people died while 28 others sustained injuries. We suspect wrong overtaking by the driver of the bus which caused him to lose control."

He, therefore, urged drivers to always drive with care, saying it's wrong to overtake on speed without concentration.
