The sector commander of the Federal Road Safety Commission (FRSC) in Kwara, Frederick Ogidan, on Sunday, confirmed the "death of one person" in the motorcycle accident that occurred on Sallah day in Ilorin.

Speaking with *City & Crime* in a telephone chat on the issue, Ogidan said the other three victims who were seriously injured are responding to treatment in the hospitals where they were admitted.

The victims, who were riding a motorcycle popularly called okada, were returning from the Ilorin central Eid prayer ground when the incident occurred at Balogun Fulani area, Ilorin.

City & Crime gathered that the overloaded okada rammed into a vehicle that left the four of them with serious injuries initially.
