**A 16-year-old boy, Mustapha Sunusi, was on Friday evening clubbed to death by his father, Abdulwahab Sunusi, for allegedly stealing one measure (mudu) of millet in Tanagar village in Warawa LGA of Kano State.**

A witness said, “Abdulwahab went overboard in an attempt to instill discipline on his 16-year-old son. He lost control of his emotions and clubbed the poor boy to death.”

The incident came barely 48 hours after a 22-year-old man hacked his mother to death at the Rimi Kebe area of Kano metropolis.
