Three suspected bandits' informants have been shot dead and six others arrested by soldiers in Kohoto village near Janjala in Kagarko LGA of Kaduna State.

A resident of Janjala, Abdullahi Zayyanu, said the shooting and arrest of the suspects followed the arrest of their ring leader, Mu'azu, alias Baushe, in Kagarko last week.

Recall that bandits have been terrorising communities like Akoti, Gundiri, Taka-Lafiya, Sadauna, Dutse and Janjala in Kagarko LGA.

However, there was no response from the spokesman of the Kaduna State Police Command on the development.
