Gunmen have attacked and killed three staff members of Okomu Oil Palm Company while they were working on the company's plantation in Okumu community in Ovia South East LGA of Edo State.

The company's spokesman, Fidelis Olise, who confirmed that the incident happened on Monday, said the company had reported the incident to the police who had commenced investigation.

Confirming the incident, the state's Commissioner of Police, Funsho Adegboye, said operatives had been deployed to the area to prevent further attacks.
