Five persons were killed and property worth about N15.6 million was destroyed in fire incidents in June 2024, in Kano State.

The spokesman of the state fire service, Saminu Yusuf Abudullahi, said the command received a total of 39 emergency calls from its 32 fire stations across the state.

He said the calls included 23 fire calls, 12 emergency and rescue calls and four false alarms.

He further said, “Estimated property destroyed by the fire in the month of June amounted to N15,650,000. Estimated property saved by the agency’s personnel was put at N46,700,000.
