Driver killed, 3 others injured in Lagos-Ibadan road crash

2

From Eugene Agha, Lagos

A driver has been killed and three passengers injured after a truck allegedly crashed in their car on Tuesday morning on the Sagamu end of the Lagos-Ibadan Expressway.

The Ogun State police spokesperson, Omolola Odutola, said the crash involved a granite-loaded truck with the licence plate FKJ760XM and a Toyota with the registration number JJJ926YJ.

She said that contrary to the claim of witnesses that it was the truck that crashed into the car, it was the Toyota car's driver that lost control and collided with the truck.
