Operatives of the Edo State Police Command have arrested a native doctor, Timothy Dauda (19), over the alleged killing of one Alex Ezekiel while testing the efficacy of a charm in Onumu community in Akoko-Edo LGA.

It was learnt that the suspect specialises in preparing charms for people against guns and cutlasses.

The command's spokesman, Moses Yamu, said, "The suspect claimed to be a native doctor and specialises in preparing charms against guns and cutlasses."

He said that one Alex Ezekiel, now deceased, went to the "native doctor" to get the charms prepared for him and that after preparing the charms, the native doctor tried to test the efficacy of the charm by shooting him with a gun.
