

Kano recorded 3 deaths in 21 fire incidents in August

From Salim Umar Ibrahim, Kano

The Kano State Fire Service said it saved three people and property worth N102.9 million from 21 fire incidents in August.

The Public Relations Officer of the service, Alhaji Saminu Abdullahi, said that at least three persons died during the period under review while property worth N47.8 million was destroyed.

“The service responded to 11 emergency calls and zero false alarms from residents of the state,” he said.
