**A cult war that erupted between members of the Aiye and the Eiye confraternities in the Agege area of Lagos State has left one dead and many others injured.**

The Aiye confraternity members were said to be from the Ayobo area of Ipaja who were allegedly on a reprisal attack to avenge an attack on their members recently.

The killed victim was hacked down with a machet by suspected members of Eiyé who cornered him at a popular spot.

When contacted, the Lagos State Police spokesman, Benjamin Hundeyin, did not pick his calls.
