**A housewife in Kwa town of Dawakin Tofa LGA of Kano State has been apprehended by the police for allegedly killing the son of her co-wife after using hot water on him.**

Police said the suspect went to pick the child from his grandmother where he was recovering from the wounds of circumcision considering that his mother and father are separated.

It was alleged that despite the initial resistance from the grandmother, she took him away under the guise of taking care of him, only to allegedly use hot instead of lukewarm water to treat the wound.
