Two passengers waiting to board a vehicle have reportedly lost their lives while four others were injured when a truck driver lost control and crashed at Suleja junction on Kaduna road, in Tafa LGA of Niger State.

Abuja Metro learnt that the incident happened around 5 pm on Sunday at an area, said to be notorious for illegal parking by drivers of small vehicles, as well as commercial motorcycle operators.

A security guard in the area, who witnessed the incident, Ibrahim Muhammad, told Abuja Metro yesterday that the driver was coming from the Madalla axis towards Kaduna.
