

Timeline of attacks in Borno

On April 6, 2025, Boko Haram terrorists attacked a military location at Izge village, Gwoza LGA of Borno State, killing a captain and corporal, and carting away weapons.

The attack, which was launched around 1am, also left many Boko Haram fighters dead.

On April 7, 2025, the insurgents returned to Gwoza in large number and attempted to invade the town, but were repelled by troops, hunters and vigilantes. A soldier was killed in the process.
