An unidentified decomposing corpse of an abducted male corpse has been discovered by the vigilantes at a forest near Nasarawa State.

A member of the vigilante from the area told our reporter that the corpse was found on Friday when members of the vigilantes, who were in the forest searching for the location of the kidnappers that recently abducted two locals from Gundun -Karya community in Kuje Area Council of the FCT.

He said the vigilantes later informed the community leader of the area, who mobilised to the forest but could not identify the corpse.
