# Road accident claims two lives in Abuja

The vehicle crashed into a road block purportedly erected by a construction company

ARTICLE | NOVEMBER 5, 2011 - 8:19AM | BY MICHAELA MOYE

Daily Times reporter, Shola Agbaje, was among the good Samaritans who stopped to rescue victims in a road accident, Friday night, along Jayi Junction, before Oando filling station, a few kilometres from the city.

The vehicle, a red Mazda (Lagos UC956AAA) crashed into a road block purportedly erected by a construction company. Two of the four passengers died before they could be rescued.

The two badly injured survivors were taken to Maitama Hospital. Agbaje informed Daily Times via telephone that he had contacted the Federal Road Safety Corps but as at the time he left the scene, response was yet to be made by any officers. Agabje also reported that there were none of the streetlights were functioning and that there appeared to be no road safety signs posted to warn drivers of the barricade.
