THE Special Strike Code (SSC) of the Borno State Police Command yesterday smashed 15-man gang bank robbers at Biu and Maiduguri. They killed three and arrested eight. They had attacked and robbed

two banks in Mubi, Adamawa State and carted away money.

Borno Police Commissioner Danlami Yar'Adua at a briefing at the police headquarters dis-

closed that the robbers were arrested and killed by men of SSC after the police in Mubi informed in Biu and Maiduguri of the banks' attacks.

At Biu, about 185 kilo-

metres south of Maiduguri, the state capital, three of the robbers including a police corporal were killed.

But the remaining 12 suspects, the commis-

sioner noted, fled with one of the official vehicles of one of the banks, Peugeot 406 and a Toyota bus with Lagos registration number plate EX 357 APP.
