

Police Kill Nine Suspected Robbers

MEN of the Plateau State Police Command have killed nine robbery suspects.

The state Commissioner of Police, Mr. Samson Wudah who disclosed this yesterday in Jos, the state capital said the suspects were intercepted after robbing a hotel at Miango, and Kent Academy, a boarding facility for nursery, primary and secondary school pupils.

Wudah said the police received a distressed call from one of the victims and rushed to the scene of the incident.

The commissioner said the robbers carted away laptops, handsets and a sum of money estimated at about N100, 000 from their victims.

Before his men arrived at the scene, youths from the area had chased the robbers to a near-by river, which impeded their escape.

He said the suspects fired shots to disperse the crowd but the angry youths stood their grounds until the police intervened.
